ARDIAN ENTERS INTO EXCLUSIVE NEGOTIATIONS TO ACQUIRE HYPRED FROM THE ROULLIER GROUP

Paris, May 18th 2016 – Ardian, the independent private investment company, today announces that it has entered into exclusive negotiations with the Roullier Group for the acquisition of its subsidiary Hypred, a European leader in the production and commercialization of professional hygiene solutions for the food and agriculture sectors

Founded in 1985, Hypred has extensive industry expertise in the formulation, production and commercialization of biosecurity solutions, disinfection and hygiene for professionals in the food and agriculture industries. The company operates in a market which has grown significantly, driven by higher safety standards including epidemic prevention, strategies for reducing the use of antibiotics as well as traceability and productivity requirements.

Hypred is now present in over 40 countries and has more than 400 employees worldwide. Its proprietary production sites and partners are located in France, Spain, Italy, Germany, Poland, Argentina, Brazil, Colombia, Turkey, USA, Peru, Algeria, Tunisia, Switzerland and South Africa. In 2015, Hypred achieved a turnover of more than €100 million.

This transaction demonstrates Ardian's investment strategy and its ability to support family group companies in the next stage of their development. Ardian's will help Hypred accelerate its international growth and support its investment strategy, particularly in R&D. This strategy will include increasing the capacity of existing sites as well as executing acquisitions in new regions or complementing sectors. Ardian's industrial approach and shared values make it a quality partner for Hypred.

Jorge Boucas, Chairman Executive of the Roullier Group, says: "Hypred has been a remarkable success for the Roullier Group. Representing 3% of our business, it is now time for the company to work with a new strategic partner which will enable Hypred to fulfil its growth potential. The Roullier Group will continue to pursue its ambitious development in Plant Nutrition, Animal Nutrition and food industry based on innovation, greater presence with our clients and our continued international development."

Thibault Basquin, Managing Director at Ardian Mid Cap Buyout, emphasizes: "Hypred is a great company that we have tracked for some time as part of our plans in the biosecurity sector. It is a recognized leader within a growing market, and has strong potential for development. Continuing the work of the Roullier Group, we intend to give Hypred the financial and human resources to deliver on its significant ambitions."

The proposed transaction remains subject to approval of the competition authorities. The representative bodies of Hypred staff have also been informed and are being consulted on the proposed transaction.
